

ROMP Spin

TURN IT UP

What is it?

ROMP Spin is a cute & compact PAT toy for pleasure on the go. Spin's chic cover both protects its suction head and keeps Spin discreet for travel.

Key Selling Messages

- **The Dream Travel Buddy** – Ultra-compact in its integrated protective case, Spin is lightweight & discreet for travel.
- **Pleasure Air Perfection** – ROMP's unique clitoral air suction at 10 saucy intensities, from teasing to holy-moly-heavenly.
- **Splash Splish, Bish** – With IPX7 waterproofing & a satin-smooth finish, Spin's always down for a dip.

Put a new Spin on Pleasure...

How to play

1. Apply a generous amount of water-based lube onto your clit.
2. To get started, spin the cover around and hold the + button for 2 secs and watch ROMP Spin come to life.
3. Place the stimulation head on your clit with light pressure. Take your time to find the spot that feels just right for you.
4. Briefly press the + button again to explore all the 10 intensity levels and 3 patterns.
5. Hold the - button down to turn toy off.
6. ROMP Spin yields 45 minutes play on its top setting (longer on lower settings).
7. To charge the toy fully, attach the charging cable and charge for 120mins.

ROMP Spin

How to sell & demo

1. Introduce ROMP Spin as a quality, affordable PAT toy, perfect for solo masturbation or with a partner.
2. Recommend using water-based lube with the toy.
3. Flip the cover back to show the integrated cover, makes sure it 'clicks' when fully opened, and note how the cover protects the stimulation head and discreetly disguises the toy for travel.
4. Hold the + button for 2 secs and watch ROMP Spin come to life. Let customers feel the suction on their finger.
5. Press + to cycle through the 10 intensities and 3 pattern modes.
6. Explain that the toy works using Pleasure Air technology, a clitoral suction stimulation that many find more orgasmic than traditional vibrators.
7. Hold the - button down to turn the toy off.
8. Note that ROMP Spin is waterproof and rechargeable (runs for 45mins on top setting). Total charge time is 2 hours (cable included).
