

XLR8 BULLET LYNX

THE LYNX BULLET PUSHES the limits of what a compact vibrator can deliver, combining unapologetic power with refined design. Fueled by the Nitro motor, it offers seven intense speeds and an XLR8 turbo boost for a surge of raw sensation. Its bold, bulbous head and subtle tilt are sculpted for precise pleasure, while the sleek, luxurious silicone body adds an elegant touch. With Lynx, power meets intention—crafted not to follow the rules, but to thrill beyond expectation.
