pjur[®] MAN Lust

PLEASURE GEL

pjur MAN Lust invites men to redefine passion. Its innovative formula with natural paracress (spilanthol) activates within seconds, delivering an intense tingling sensation that lasts up to 15 minutes. The gel also nourishes and refreshes the skin in the external intimate area, leaving a silky-smooth feel.

Whether used solo, with a masturbator, or as an exciting addition to foreplay, pjur MAN Lust offers versatile ways to elevate male pleasure and push boundaries. Its water-based formula ensures comfortable application and compatibility with sex toys.

pjur MAN Lust is the new pleasure gel for men who want more. More intensity, more sensation, more passion.
